Giving Something Back

Q How can I take this further?

A Use the reference on the reverse of this card to make contact for an informal chat. If you then feel that you want to dip your toe in the water you can seek to become a guest member for a period. Clearly, we would hope that you would like us enough to progress to full membership.

Q What does Rotary do?

A We place great store on serving the community. This can involve us taking direct action or else raising funds to donate to good causes. We also support Third World projects as part of a global organisation.

Q Who can join?

A Membership is open to anyone, particularly those who through their work or other interests have the ability and desire 'to give something back'.

Q Does Rotary have any close ties with other organisations?

A No, we are totally independent; we take no side and hold no bias.

Q Is it friendly?

A We share the same broad values, and working together forges lasting friendships. Fun and enjoyment is important and there are many opportunities for us, our partners and friends to socialise. We have Club lunch together in central Eastbourne on Mondays and this often features a visiting speaker.

Q What if I don't know anybody?

A There will always be a member to look after you when you first come and if you decide to join someone will propose you and support you whilst you settle in. You will always be made to feel very welcome.

Q How much will it cost?

A Annual membership is currently £120, plus the cost of a weekly lunch.
